Order thereon No. R.4794-5 / LR.313-08-6

Dated Bangalore 12th January 1910.

The land now assigned as a camping ground in the Harinanjanapura village is survey No. 79 measuring 3 acres 38 guntas, it is reported to be unsuited for the purpose being overgrown with prickly pear and full of pits . It is therefore proposed to grant it permanently for cultivation and set apart 4 acres by the side of the Road out of survey No. 7 which is now reserved as a date grove. The date trees are stated to be mostly found in the portion of the land to the east which will not be included in the camping ground . A part of the land is also stated to be used in holding a Jatra once in 10 or 12 years in the village . The Excise Commissioner has no objectio to the assignment of the 4 acres in question . Government are therefore pleased to sanction the removal of survey No. 79 from the list of camping grounds and its being made available for cultivation to set apart as proposed 4 acres out of survey No. 7 as camping ground in liew of it .
